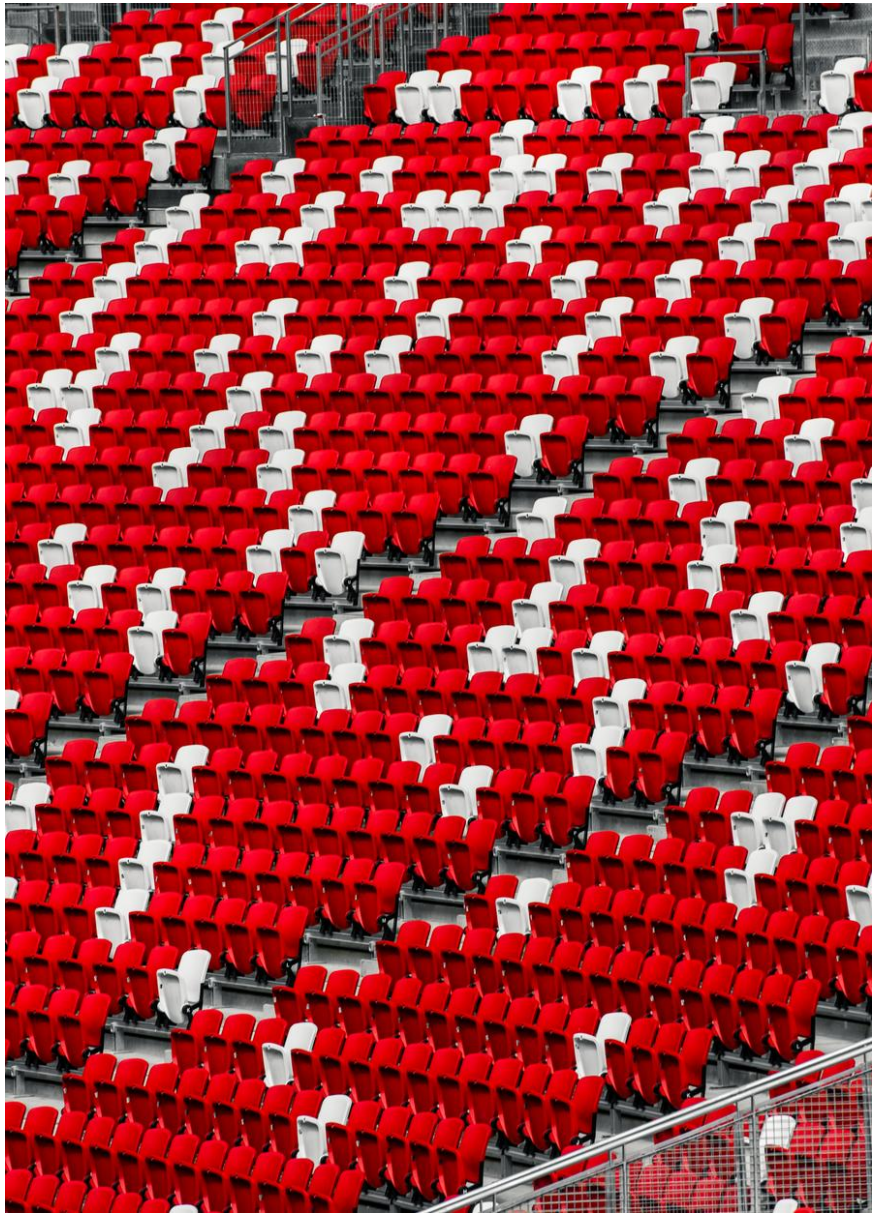
Community Chest

A community driven furniture bank for individuals on a fixed income

Disconnection

Four walls and safety, yet no sense of comfort



You found housing, now what?

Individuals on a fixed income face many challenges when it comes to housing, accessing affordable, comfortable, and clean furniture should not be one of them.

Aspirations

Helping someone's home feel like home

What can Community Chest do for you?

We will aim to provide no cost home goods to individuals on a fixed income to help make their home comfortable.

Moving forward

Utilizing current resources and connections

Denver Housing Authority has a robust system of resources, knowledge, and programming experience to help make Community Chest a possibility.
