Call for Projects and public events/outreach

Safer Transportation Throughout Northern Colorado

A shared responsibility among the MPO, member communities, and regional partners

NFRMPO Towards Zero Deaths Policy

North Front Range Metropolitan Planning Organization

- Work towards eliminating serious injuries and fatalities
  - Prioritize safety in future Calls for Projects
  - Analyze crash data to make more informed decisions for safety related projects
  - Integrate the Towards Zero Deaths framework in future planning initiatives
  - Providing regionally specific crash data when possible
  - Identify crash types and characteristics which are most prevalent and best practices to mitigate those specific crash types

Anticipate updating this in 2027 as part of our 2055 Regional Transportation Plan (RTP) update

Safety Plans

North Front Range Metropolitan Planning Organization

City of Greeley Colorado

City of Loveland

City of Fort Collins
